**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
1993 ANNUAL TOWN MEETING MINUTES**

To: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 9th of March next, at nine o'clock in the forenoon (polls close at 7:00p.m.) to vote for the Town Officers and to act on other questions required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at adjourned session of Town Meeting on March 13th, 1979, the business meeting will be recessed until ten o'clock in the forenoon, Saturday March 13th, 1993, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by Official Ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Selectmen - Three Year Term - David Belletete
Trustee of the Trust Funds - Three Year Term - William C. Arthur
Library Trustees - Three Year Term - Frederick S. Richardson
Town Clerk - Three Year Term - Maria A. Chamberlain
Chief Engineer - One Year Term - John A. White
Treasurer - Three Year Term - Sandra M. Stewart

Recessed until March 13th, 1993, at 10:00 a.m.

The hour of 10:00a.m. having arrived, the Town Moderator, Marc P. Tieger, reconvened the Annual Town Meeting of the Town of Jaffrey.

The Pledge of Allegiance was led by two Boy Scouts from Mountain Troop. An invocation was then given by Father Richard Kelley.

Selectman Peter Davis was recognized by the moderator to speak.

Selectman Davis spoke briefly about Jaffrey's need to comply with the EPA Clean Water Act; and in short said that some laws will most likely be changing and that the town is working to comply with the law and that there is a good possibility that the town could get a one to three year extension for compliance.

Selectman Davis then went on to present our out going Chairman of the Board of Selectmen, Bill Elliott, with a plaque which read ... "William G. Elliott in recognition of your dedication and service as Selectman for the Town of Jaffrey 1990 - 1993" Mr. Elliot accepted the plaque as the residents of the town gave him a standing ovation.

The moderator then continued the meeting by reading the results of Article 1.

The moderator, Marc P. Tieger, then read the certification of the posted warrant. He then moved to pass on reading the warrant as a whole. It was passed by voice vote.

Art. 2. To raise and appropriate the sum of Four Million Ten Thousand One Hundred Seventy Two Dollars (\$4,010,172) (exclusive of special warrant articles) for the purpose of defraying the cost of the Town's operating expenses for the year 1993 as presented and recommended by the Budget Committee.

Robert Bussiere, Chairman of the Budget Committee, moved the figure to read Four Million Thirty Thousand One Hundred Seventy Two Dollars (\$4,030,172). The reason for the amendment was that the extra twenty thousand was to help the Department of Public Works in their budget for snow removal being that the Blizzard of '93 was fore warned by the weather service a few days before this town meeting; and this weather event was starting to unfold as this meeting was in session.

This motion seconded and discussion then began.

The article was passed by voice vote, as moved by Robert Bussiere.

Art. 3. That all reports submitted by Town Officers be accepted as read. (By Selectmen)

The article was addressed by Selectman William Elliott.

The article was passed by voice vote.

Art. 4. To authorize the Board of Selectmen at their discretion, to dispose of property acquired by Tax Sale or Tax Lien by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest and expenses or to sell said property at public auction after being advertised in a local weekly newspaper for three successive weeks. (By Selectmen)

The article was addressed by Selectman Peter Davis.

The article was passed by voice vote.

Art. 5. To see if the Town will vote to change the Annual Town Meeting starting time from 10:00a.m. to 9:00a.m. (By Petition)

The moderator stepped down for this article and his assistant, Philip Cournoyer, moderated for this article.

The article was addressed by Robert Austin.

The article was passed by voice vote.

Maureen Desmarais was then recognized by the moderator. She asked that the meeting be postponed because the snow outside was starting to make travel conditions a little bit dangerous.

This issue was discussed at length and was finally moved to vote; with the request defeated by a voice vote.

Selectman Jeanne LaBrie was then recognized. She requested that we move to Article 7 before Article 6; stating that the result of Article 7 would determine whether more money would need to be requested for Article 6. After some discussion it was put to a vote and the request was passed by voice vote.

Art. 7. To see if the Town will vote to raise and appropriate the sum not too exceed Sixty Two Thousand (\$62,000), for the purpose of funding the purchase of a new fire truck. Said sum to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act (RSA 33:1 et seq.), as amended, and to authorize the Board of Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon with the provision that these bonds and notes shall be payable in 1994, and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. These funds are to be used in conjunction with any and all funds available in the Capital Reserve Fund created for this purpose. (By Selectmen and Not Recommended by the Budget Committee, 2/3 Ballot Required)

The article was addressed by Jeanne LaBrie.

After some discussion the article was moved to vote , and a standing vote was taken and the results were: Yes - 123, No - 34. The polls were then opened for a sufficient amount of time. The results were as follows:

Yes - 162 No - 33

The Article passed with the required 2/3ds majority.

As the results of Article 7 were being tallied we moved on to Article 8.

Art. 8. To see if the Town will vote to authorize the Board of Selectmen to sell via a warranty deed a parcel of landlocked Town land consisting of .57 acres located adjacent to North Street (Map #238, Lot #219) to Donald & Elizabeth Blanchette of 218 North Street, Jaffrey, N.H. Said land to be sold for the sum of \$1,100 with the buyer and seller assuming responsibility for their own expenses relating to this transaction. (By Selectmen)

The article was addressed by William Elliott.

The article was passed by voice vote.

Art. 6. To see if the Town will vote to raise and appropriate the sum of Sixty One Thousand Dollars (\$61,000) and to deposit said sum into the capital reserve fund established in 1989 for the purpose of purchasing a new fire truck established for the Jaffrey Fire Department and to designate the Board of Selectmen as agents to expend. (By Selectmen & Recommended by the Budget Committee)

The article was addressed by Jeanne LaBrie.

The article was passed by voice vote.

Richard Grodin was then recognized by the moderator.

Richard Grodin moved that the meeting be recessed until a further date because the weather conditions were continuing to become dangerous. After some discussion and a search for a continuation date for the meeting it was voted in the majority by voice vote to continue the meeting to Saturday, March 27, 1993 at 9:00a.m.

The date of March 27, 1993 and the hour of 9:00a.m. having arrived, the Annual Town Meeting for the Town of Jaffrey was reconvened.

Art. 9. To raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) and to place said sum into the capital reserve account established (1990) to fund a Town-wide property revaluation. (By Selectmen & Recommended by the Budget Committee)

The article was addressed by Jeanne LaBrie.

The article passed by voice vote.

Art. 10. To authorize the Board of Selectmen pursuant to RSA 31:95-b, to apply for, accept and expend any and all federal or state grants, gifts or funds that may become available during the ensuing year so long as such expenditures do not require further expenditures of other town funds, except those lawfully appropriated for the same purpose. (By Selectmen)

The article was addressed by William Elliott.

The article passed by voice vote.

Art. 11. To authorize the Trustees of the Jaffrey Public Library pursuant to RSA 202-A:4-c and 202-A:23, to apply for, accept and expend any and all federal or state grants, gifts or funds that may become available during the ensuing year so long as such expenditures do not require further expenditures of other town funds, except those lawfully appropriated for the same purpose. (By Selectmen)

The article was addressed by William Elliott.

The article passed by voice vote.

Art. 12. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow funds upon the credit of the Town in anticipation of property taxes. (By Selectmen)

The article was addressed by Peter Davis.

The article was passed by voice vote.

Art. 13. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) and to deposit said sum into the trust created for the long-term maintenance needs of the Meeting House (Art. 17) on March 16th, 1991. (By Selectmen & Not Recommended by the Budget Committee)

The article was addressed by Peter Davis.

The article was passed by voice vote.

Art. 14. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the support of the Monadnock Community Day Care Center, a non-profit agency, or take any other action relating thereto. (By Petition & Not Recommended by the Budget Committee)

The article was addressed by Margaret Bean.

The article passed by voice vote.

Art. 15. To see if the Town will vote to raise and appropriate the sum of Five Thousand Three Hundred Thirty Seven Dollars (\$5,337) for Monadnock Family Services, or to take any other action relating thereto. (By Petition & Recommended by the Budget Committee)

The article was addressed by Joseph Manning.

The article was passed by voice vote.

Art. 16. To raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) to support the Veterans of Foreign Wars Ambulance Service. (By Petition & Recommended by the Budget Committee)

The article was addressed by William Elliott.

The article was passed by voice vote.

Art. 17. To see if the Town will raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) for Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. (By Petition & Recommended by the Budget Committee)

The article was addressed by Pat Wheeler.

The article was passed by voice vote.

Art. 18. John Smith was recognized. He moved that the Town of Jaffrey reclassify a portion of Shaker Road From Class VI to Class V. Said portion is described as follows: Beginning at the end of the existing Class V portion of Shaker Road, which is approximately 200 (two hundred) +/- feet from the Marlborough/Jaffrey town line, and proceed northeasterly for 130 (one hundred and thirty) +/- feet. Reclassification to Class V to become effective subsequent to upgrade of said portion to the specifications stipulated by the Town of Jaffrey Board of Selectmen and acceptance by the Board of Selectmen. The cost of the upgrade will be borne solely by John F. Smith and all work will be completed within six months of vote of approval for reclassification.

This motion was seconded by Bill Royce.

Mr. Smith then addressed the article with very detailed maps; providing background and history of the road. Mr. Smith also went into detail about the reasons for the change in the classification.

After some lengthy discussion it was moved to a vote. After a division vote of 119 yes to move the question and 40 no to not move the question, the polls were opened to vote by ballot (a petition was presented to the moderator to vote by secret ballot on this article).

The results were as follows:

Yes - 155 No - 24

The article passed.

The moderator then stepped down for Articles 19 and 20. Philip Cournoyer then acted as moderator.

Art. 19. To see if the Town will vote to change the status of Carey Road, a Class VI road currently not maintained by the Town, to a Class V Town road. Carey Road shall become a Class V road only after it has been repaired at the developers expense and to the satisfaction of the Selectmen for the Town of Jaffrey. (By Petition)

The article was moved and seconded.

Robert Baskerville was recognized to speak on behalf of the petitioner of this article (petitioner: Bradley Jackson).

After a presentation and a viewing of maps pertaining to said road a discussion then proceeded, at length.

Because there were some concerns about the wording of the article it was moved, by Peter Rivard, to amend the article to read as follows:

"I move that the Town of Jaffrey reclassify a portion of Carey Road from Class VI to Class V. Said portion is described as follows: Beginning at the end of the existing Class V portion of Carey Road, which is where Carey Road intersects with Carey Court approximately 530 (five hundred and thirty) +/- feet from Howard Hill Road, and proceeding westerly approximately 375 (three hundred seventy-five) +/- feet. Reclassification to Class V to be effective subsequent to upgrade of said portion to "Town Road" standards as described in the Town of Jaffrey Subdivision regulations and acceptance by the Town of Jaffrey Board of Selectmen. The cost of the upgrade will be borne solely by Mr. Bradley Jackson and all work will be completed within six months of vote of approval for reclassification."

After further discussion a vote to amend the article as stated above was passed by voice vote.

The polls were then opened to have a secret ballot vote as requested in a petition that had been presented to the moderator.

The results were as follows:

Yes - 82 No - 90

The article was defeated.

The moderator then recognized Selectman Jeanne LaBrie. She asked if the assembly would like to reconsider Article 2 (the town budget article); the reason being that we still had a good number of people on hand and the Board of Selectmen felt that if the article was brought up for reconsideration later in the meeting there might not be a fair number; in which she gave an example of a nearby town where toward the end of the meeting the budget article was reconsidered and it was defeated, due to there being a low number of registered voters present.

The floor was then open for discussion; after which a vote was taken on the question to reconsider.

The vote was defeated by voice vote.

Joseph Manning was then recognized. At this time Mr. Manning, being our town's Representative to the General Court, made an announcement concerning a meeting at the Keene High School that pertained to State Highway projects and that the 202 By-Pass project was going to be discussed as to whether this project should be put back on the State's Ten Year Plan. (This project effects downtown Jaffrey and the dog-leg situation). Mr. Manning wanted to encourage all those who are concerned (one way or the other) with this project to attend.

Art 20. Peter Rivard was recognized. He moved that the Town of Jaffrey reclassify a portion of Highland Avenue from a Class VI to Class V Road. Said portion is described as follows: Beginning at the end of the existing Class V portion of Highland Avenue, which is approximately 510 (five hundred and ten) +/- feet south of the intersection with Highland Court, and preceding southerly approximately 440 (four hundred and forty) +/- feet.

Reclassification to Class V to be effective subsequent to upgrade of said portion to "Town Road" standards as described in the Town of Jaffrey Subdivision Regulations and acceptance by the Town of Jaffrey Board of Selectmen. The cost of upgrade will be borne solely by Mr. Bradley Jackson and all work will be completed within one year of vote of approval for reclassification.

This article was seconded and Mr. Baskerville was again recognized to speak on behalf of the petitioner (Bradley Jackson). After a presentation of maps pertaining to said road the article was the opened for discussion.

After a lengthy discussion the question to vote on the article was passed by voice vote. The polls were then opened to vote by secret ballot (as requested by a petition presented to the moderator); the results were was follows:

Yes - 67 No - 91

The article was defeated.

Art. 21. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to match a like sum to be raised by the Jaffrey Woman's Club, with the help of the people of Jaffrey, for the purpose of doing emergency structural stabilization and repairs to the Cutler Memorial Building steeple. (By Petition and Not Recommended by the Budget Committee)

The article was moved and addressed by Joanne Buck.
Bob Bussiere then spoke to address why the Budget Committee did not recommend this Article.

The Article was then discussed and the polls were then opened (the moderator was presented with a petition to have this article voted upon by secret ballot). The results were as follows:

Yes - 103 No - 33

The article passed.

Art. 22. To see if the Town will vote to establish as Town Forests, as authorized by RSA 31:110, the following parcels of Town owned land: (By Selectmen)

- A. The Monadnock Lot - Lands located below Poole Reservoir (Map #219, Lot #006) consisting of 153 +/- acres.
- B. Carey Park Lot - Lands located off of Burrington Ct. (Map #240, Lot #102) consisting of 56 +/- acres.
- C. Lacy Road Lot - Lands located off of Lacy Road (Map #239, Lot #1) consisting of 4.3 acres +/-.

The article was moved and addressed by Bill Jack.

The article passed by voice vote.

Art. 23. To see if the Town will vote to authorize the Conservation Commission to manage the Town Forests named in Article 22 above under provisions of RSA 31-112:11; and to authorize that any proceeds which may accrue from said forest management be placed in the Conservation Fund pursuant to RSA 36-A:5. (By Selectmen)

The article was moved and addressed by Bill Jack.

During the discussion time it was moved by Joseph Manning to amend the article to read: "To see if the Town will vote to authorize the Conservation Commission to manage the Town Forests under the provisions of RSA 31-112:11; and to authorize that any proceeds which may accrue from said forest management be placed in the Conservation Fund pursuant to RSA 36-A:5."

After further discussion it was moved to vote on the amendment and it passed by voice vote.

It was then moved to vote on the article as amended.

The article passed, as amended, by voice vote.

Art. 24. Do you favor the continuation of the Town Manager plan as now in force in this Town. (By Petition & Official Ballot)

Yes - 548 No - 411
The article passed.

Art. 25. The article passed.

Art. 27. Are you in favor of Amendment #3 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: To allow unenclosed porches and decks to approach upon setback areas by Special Exception of the Board of Adjustment, subject to the following conditions:

1. The dwelling was a lawfully existing use at the time of the adoption of this ordinance.
2. The building line of the addition does not extend more than ten (10) feet into the setback area.

Improvements necessitated by the Americans with Disabilities Act are expressly exempted from setback requirements; permit fees for ramps or other handicap access ways may be waived, as determined by the Selectmen. (By Official Ballot)

Yes - 660 No - 184
The article passed.

Art. 28. Are you in favor of Amendment #4 as proposed by the Planning Board for the Jaffrey Land Use Plan as follows: A buffer area shall be required in all districts when any new commercial or industrial use is established adjacent to an existing residential use. The buffer area shall comprise 50% of the required setback for the zoning district, as measured inward from the property line and shall be of a type deemed appropriate for the location by the Planning Board during site plan review. (By Official Ballot)

No primary building, impervious cover or driveway shall be located within the Wetlands Conservation District.

SECTION VIII. FOREST CONSERVATION & CLEARING

In order to preserve the natural beauty of the forest, protect the shorelines from erosion and pollution, protect stream temperature and aquatic life and provide important and necessary wildlife habitat, any cutting of trees within the Wetlands Conservation District shall conform to the provisions of RSA 224:44-a and 483-B.

SECTION X. RESIDENTIAL LOT STANDARDS

Lots abutting public waters as defined in Section XIII, shall conform to the provisions of RSA 483-B. All other lots within the Wetlands Conservation District shall have a minimum shore frontage of 200 feet, as measured at the normal high water level, except that non-contiguous wet areas under one (1) acre in size are not included here for purposes of meeting frontage requirements.

SECTION XI. SUBSURFACE SEWAGE DISPOSAL SETBACKS

The placement of underground sewage disposal facilities within 250 feet of public waters as defined in Section XIII shall conform to the provisions of RSA 483-B. In all other cases, the minimum setback shall be no less than 100 horizontal feet. Where daily sewage flow is 2,000 gallons, the minimum setback shall be 200 feet.

SECTION XIII. DEFINITIONS

Ephemeral Ponds - Topographic depressions that flood seasonally at times of high water table.

Perennial Stream - Any stream channel with flowing water year round.

Intermittent Stream - A drainage channel with running water only during times of high water table or high runoff volume due to snowmelt or rainstorms; typically seasonal flow, as with spring snowmelt.

Public Waters - Those water bodies designated in the Official list of Public Waters in New Hampshire by the Department of Environmental Services; in the Town of Jaffrey, those bodies consist of: Gilson Pond, Black Reservoir, Hodge Pond, Gilmore Pond, Scott Pond, Cummings Pond and Wildlife Pond.

Wetland - Those areas of submerged land enclosed by the normal high water mark, which includes any marsh, swamp, bog or meadow subject to permanent or periodic flooding; and soils designated by the USDA Soil Conservation Service as poorly drained or very poorly drained.

Art. 32. To take up any other business that may properly come before this meeting.

Having no other business at hand, the meeting adjourned at 1:30p.m., March 27, 1993.

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
MINUTES OF SPECIAL TOWN MEETING
OCTOBER 2, 1993**

The meeting was called to order at 9:00 a.m. by Moderator Marc P. Tieger.

The moderator asked the audience to stand for the Pledge of Allegiance, which was led by Stephanie and Rachel Dionne of the local Girl Scout Troop. The invocation was led by Rev. Roy Nelson.

Mr. Tieger explained the rules for the Special Town Meeting and then went on to read the following Warrant and Certificate of Posting:

To: the inhabitants of the Town of Jaffrey, in the County of Cheshire, in said State, qualified to vote in Town affairs:

SPECIAL TOWN MEETING WARRANT

You are hereby notified to meet at the Earnest J. Pratt Auditorium in said Jaffrey on Saturday, the 2nd of October, 1993 next, at nine o'clock in the forenoon to act on the following question required by law.

Art. 1. To see if the Town will vote to raise and appropriate the sum of \$85,000.00 for the design of alterations and additions to the Jaffrey Water System. The total cost of these design plans to be paid from the Jaffrey Water Fund, which is funded solely by the water fees charged by the Town.

These alterations and additions are required to be made to the system in order for the Town to meet the requirements of the Safe Drinking Water Act as mandated by the United States Government.

CERTIFICATE OF POSTING

We, the undersigned Selectmen of Jaffrey certify that on the 14th day of September 1993, was posted an attested copy of the within Warrant at the place of meeting specified, and like copies at the U.S. Post Office, in Jaffrey Public Library and all public places in said Town of Jaffrey.

/s/ Peter B. Davis, Chairman
/s/ Jeanne L. LaBrie

Cheshire, SS

Then appeared Peter B. Davis and Jeanne L. LaBrie all Selectmen of Jaffrey, and took oath that the above statement by them signed is true.

Before me,

/s/ Maria A. Chamberlain
Justice of the Peace

Peter B. Davis moved the question as read, seconded by Jeanne LaBrie.

Mr. Davis was then recognized to speak about the warrant article. Various members of the community were then recognized to speak. The moderator, seeing there were no further questions, announced that the meeting would move to the vote. The article was voted upon by secret ballot.

The polls were opened from 9:25 a.m. until 9:40 a.m., the results were as follows:

Yes - 49 No - 8
The article passed.

With no further business the meeting was adjourned at 9:42 a.m.

Respectfully submitted,

Dawn L. Oswalt
Deputy Town Clerk

BUDGET OF THE TOWN OF JAFFREY, N.H.						

TOWN BUDGET SUMMARY

As part of the Jaffrey 2000 Community Stewardship Project, the Communication Committee recommended that an explanation accompany the budget when it is presented. We have determined that a short explanation highlighting changes from the previous year would be the best method to meet this legitimate recommendation. Therefore, we present the following and hope that it provides more useful information to the residents of Jaffrey.

Town Budget Overall

The Selectmen issued guidance to the Town Manager and the Department Heads to maintain a zero bottom line increase in the Town budget. We have done that and then some. In order to keep the tax rate down, I, as the Town Manager, cut some \$350,000 +/- from the various department budgets as they were presented to me. This brought our bottom line in approximately \$140,000 less than last year. This was not an easy task, and it required substantial cuts in services provided by your Town government.

The summaries which follow have been submitted by the respective department heads.

Executive, Election and Registration, Financial Administration, Property Records, Legal, Planning and Zoning, General Government Buildings, Insurance and Debt Service

A total of nine departmental budgets comprise what we generally refer to as Administrative budgets. Some of the major changes in these budgets include: full funding of the Town Manager's salary line item, a more realistic appropriation for the Town Report (last year's printer underbid the job); funding for three elections in 1994; funding the administration of a flexible benefits plan for employees which is offset through the town's share of FICA savings, reduced legal expenses are anticipated, public works and library building expenses have been moved from General Government Buildings to their respective departments, the town has switched insurance companies providing a net savings of \$40,000 annually, and finally the town is obligated this year to pay the full amount due on the Landfill Closure Bond which equates to an additional \$85,000.

Police Budget

The Jaffrey Police Budget has virtually held the line since 1993. The only significant increases are \$1,200 for parking space rental, pager expenses previously included in the public works budget, and modest cost of living adjustments for non-union employees. Apart from the yet to be negotiated potential union member cost of living increases, the 1994 Jaffrey Police Budget has been submitted \$343 less than 1993's Police budget appropriations.

Fire Department

The Jaffrey Fire Department Budget for 1994 has been cut 2%. We feel that we can still make most of the necessary equipment and training improvements that we have planned for the coming year. This reduction in the budget should not affect the quality of Fire Protection in Jaffrey for 1994.

Building Inspection and Health Department

The budget for the Building Inspector position remained virtually unchanged for all line items except for the salary which increased by 2.5%.

The Health Officer budget remained the same.

Public Works Department

The Public Works Department "budget" is actually eight separate operating budgets, seven of which reflect an overall reduction from the previous year. The increase in the sewer budget is mainly due to much needed sewer line/equipment maintenance and to increased lab testing in order to meet the new State and Federal government requirements. In the Capital Outlay budget, the Highway Department needs to replace a 6-wheel dump truck and to construct a salt shed. This latter expenditure is a direct result of the Wellhead Protection Program compliance requirements.

Animal Control

The major changes to the Animal Control budget from 1993 are \$300 extra for dogs at large (animal boarding) and \$300 for animal disposal, both attributed to the current mid-Atlantic strain rabies epidemic.

Welfare Department

This budget increased considerably over 1993 due primarily to the economy and its effect on Jaffrey residents who need assistance. Also, the amount available from the Trust Funds, which have been established to assist those in need, has decreased due to lower interest rates.

Recreation Department

The 1994 Recreation Department has held the line on expenditures, as compared to a substantial 40% increase in anticipated revenues. As a result the NET IMPACT on the overall Town budget is 14.5% lower than 1993. Expenditure items that have decreased are employee benefits, Humiston Field utilities, secretary and skating rink wages.

Library

The 1994 budget for the Jaffrey Public Library reflects the mandate of the Town Manager and Selectmen to reduce the amount used to run the Library in 1993. Each line item was reviewed carefully by all of the Library staff. Funds were removed from each line item and some items were canceled completely for this calendar year. As a result of this planning, staff and hours open will remain the same, service will not be curtailed but materials will be cut.

Respectfully submitted,

Jonathan B. Sistare
Town Manager

**STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT**

To: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 8th of March next, at nine o'clock in the forenoon (polls close at 7:00 p.m.) to vote for the Town Officers and to act on other questions required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at adjourned session of Town Meeting on March 13th, 1979 and the Town Meeting on March 13th, 1993, the business meeting will be recessed until nine o'clock in the forenoon, Saturday March 12th, 1994, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by Official Ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Moderator - One Person for Two Year Term
Selectman - One Person for Three Year Term
Supervisor of the Checklist - One Person for Six Year Term
Trustee of the Trust Funds - One Person for Three Year Term
Library Trustees - Two Persons for Three Year Terms
Chief Engineer - One Person for One Year Term

Art. 2. To see if the Town will vote to raise and appropriate the sum not to exceed Two Million Nine Hundred Three Thousand Dollars (\$2,903,000), for the purpose of constructing improvements to the Jaffrey Water System. These improvements will allow the town to be in compliance with the Federal Safe Drinking Water Act. This sum will be raised and paid by the water fund. The said sum is to be raised through the issuance of bonds or notes in accordance with the Municipal Finance Act, RSA 33:1 et seq., as amended, and to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to this project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. (Recommended by the Selectmen, Recommended by the Budget Committee, 2/3 Ballot majority required).

Art. 3. To see if the Town will vote to raise and appropriate the sum of Three Million Eight Hundred Forty Eight Thousand Seventy Two Dollars (\$3,848,072) for the purposes of defraying the cost of the Town's operating expenses for the year 1994.

Art. 4. That all reports submitted by Town Officers be accepted as read.

Art. 5. To see if the Town will vote to authorize the Board of Selectmen at their discretion, pursuant to RSA 80:42 and RSA 80:80, to dispose of property acquired by Tax Sale or Tax Lien by either conveying said property back to its original owner(s) for consideration equal to all associated unpaid property taxes, interest and expenses or to sell said property at public auction after being advertised in a local weekly newspaper for three successive weeks, or to otherwise dispose of the property as justice may require. This authority will remain with the Selectmen indefinitely, or until rescinded by a vote of the Town. (Recommended by the Selectmen)

Art. 6. To see if the Town will vote to raise and appropriate the sum of Sixty Two Thousand Six Hundred Dollars (\$62,600) to pay for the principal and interest due on a short-term loan taken by the Town, as authorized by Article 7 at the 1993 Town Meeting. This loan was taken for the purpose of purchasing a new fire truck. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 7. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000), for the purpose of funding the construction of a new salt shed for the town. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 8. To see if the Town will vote to raise and appropriate the sum of Fifty Two Thousand Six Hundred Dollars (\$52,600) for the purpose of purchasing a new dump truck for the town. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 9. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) and to place said sum into the capital reserve account established (1990) to fund a Town-wide property revaluation. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 10. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a federal, state or other governmental unit or a private source which becomes available during the year? (Recommended by the Selectmen)

Art. 11. Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a federal, state or other governmental unit or a private source which becomes available during the fiscal year? (Recommended by the Selectmen)

Art. 12. Shall the Town accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes? (Recommended by the Selectmen)

Art. 13. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) and to deposit said sum into the trust created for the long term maintenance needs of the Meeting House (Art. 17) on March 16th, 1991. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 14. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be used by the Town for economic development. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 15. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to provide the necessary services to establish a revised and logical house numbering system to be used throughout the Town. The revised system will enable the Town's emergency services to respond with a known address, and it will enable the Town to meet the recommendations of the Enhanced 911 system which will be established State-wide in 1996. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 16. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the support of the Monadnock Community Day Care Center, a non-profit agency, or take any other action relating thereto. (Submitted by Petition, Recommended by the Selectmen, Not Recommended by the Budget Committee)

Art. 17. To see if the Town will vote to raise and appropriate the sum of Five Thousand Three Hundred Sixty Eight Dollars (\$5,368) for Monadnock Family Services, or to take any other action relating thereto. (Submitted by Petition, Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 18. To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500.00) to support the Veterans of Foreign Wars Ambulance Service. (Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 19. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Dollars (\$17,000) for Home Health Care and Community Services to support the continuance of home and health services being provided to the residents of Jaffrey. (Submitted by Petition, Recommended by the Selectmen, Recommended by the Budget Committee)

Art. 20. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) to pay for the electricity needed to light Humiston Field during night ball games,

involving Youth Softball and Baseball, specifically Jaffrey Jenny League, Tri-Mountain Softball and Monadnock Babe Ruth Baseball. (Submitted by Petition, Recommended by Selectmen, Recommended by the Budget Committee)

Art. 21. To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. (Recommended by the Selectmen)

Art. 22. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of such equipment. (Recommended by the Selectmen)

Art. 23. To see if the Town will vote to establish, under the authority of RSA 35-B:2 II, a recreation revolving fund for programs and activities conducted and administered by the Jaffrey Recreation Department. These funds would be held in the custody of the Town Treasurer and paid out only on orders by the Board of Selectmen and Town Manager. This fund would be established and effective on January 1, 1995, and would continue unless specifically rescinded. (Recommended by the Selectmen)

Art. 24. To see if the Town will change , from Class VI to Class V, the status of the 0.38 mile long "Road to Public Waters" that connects the "great waters" of Frost Pond with Route 137 (Lincoln Corners Road). Affirmation of the Class V status will bring the aforementioned "Road to Public Waters" into compliance with the description recorded by, and resultant subsidies currently provided by the State of New Hampshire. (Submitted by Petition, Recommended by the Selectmen)

Art. 25. To see if the Town will vote to discontinue a portion of Dunshee Road, specifically 116 feet beginning at the property of C. Jerome Underwood, Map 222 Lot 17, and ending at the end of the present right of way. (Recommended by the Selectmen)

Art. 26. Are you in favor of the following amendments to the Jaffrey Zoning Ordinance as proposed by the Jaffrey Planning Board (By Official Ballot):

Amendment 1: To bring the Jaffrey Flood Plain Regulations in conformity with Federal rule changes by replacing the existing Flood Insurance Rate Maps with updated maps and by adding provisions to the Flood Plain Ordinance that require any recreational vehicle (as defined in the Ordinance) to be licensed for highway use if it is placed in a special flood hazard area for more than 180 consecutive days; otherwise, the vehicle is subject to the same provisions as manufactured housing that is located in a special flood hazard area?

Yes

No

Amendment 2: To revise the provisions that address Home Occupations so that 1.) a distinction is made between Home Occupations and Home-Based businesses; 2.) specific performance standards are spelled out in the ordinance for each type of activity; 3.) Home Occupations are permitted by right in all districts except for the Mountain District, where they are a Special Exception use; 4.) Home-Based businesses are permitted in all districts by Special Exception of the Board of Adjustment; and 5.) to amend the definition to make clear that agricultural activities are not considered home occupations or home-based businesses?

Yes

No

Amendment 3: To revise the criteria by which density bonus points are granted for Major Residential Development as follows: a.) buffer area (15 points); b.) Open Space Dedication (40 points); Preservation of Scenic Views (15 points); Innovative Construction Techniques (10 points); e.) Recreation Facilities (10 points); and f.) Sidewalks (10 points); and to reduce the maximum percentage points from 50% or 100% to 25% or 50%?

Yes

No

Amendment 4: To amend the Impact Fee Ordinance as follows: 1.) by integrating the School Facilities Impact Fee Ordinance into the Public Capital Facilities Impact Fee Ordinance resulting in one document instead of two; 2.) by eliminating the requirement that any non-residential development be subject to an impact, resulting in impact fees being applicable only to new residential development; and 3.) making the necessary wording changes to ensure consistency throughout the ordinance?

Yes

No

Art. 27. To take up any other business that may properly come before this meeting.

Given under our hands, in the Town of Jaffrey, this 7th day of February, 1994.

REPORT OF THE SELECTMEN

1993 for the Town of Jaffrey from the perspective of the Selectmen's Office was a very busy and active year containing many issues to be addressed and solutions found. Some issues continue to be ongoing year to year, such as water and sewer as we struggle to meet EPA requirements while others are less involved and can be resolved in a timely fashion.

Personnel changes were the order of business for the first part of 1993. In March, we welcomed David Belletete as our new Selectman replacing Bill Elliott. The Town, having endorsed the Town Manager form of government once again at the March Town Meeting, allowed us to bring on board our new Town Manager, Jonathan Sistare in April. Jon was Town Administrator for Hopkinton and replaced Hunter Riesberg who resigned the first part of 1993 to accept a similar position in Hampton. Also, leaving us later in the year was Barbara Horn, our Administrative Assistant, who accepted a position with the Rockingham Regional Planning Commission. Taking Barbara's place is Linda Lockett who joined us this summer. We wish Hunter and Barbara the best and welcome Jon and Linda to Jaffrey.

Highlights of 1993 include:

- A new Streetlight program at the request of the Budget Committee to reduce streetlight costs while providing brighter lights. Though much controversy arose from this program, it has been resolved with most concerns being addressed.
- Completion of Route 202 construction for the "dogleg" in the downtown area. Formal dedication of this improvement is scheduled for June 4, 1994.
- The emergence of a Community Stewardship Program sponsored through the Jaffrey 2000 Committee and the Chamber of Commerce. Many citizens participated in this program with ideas being developed for the Town and its administration. Areas addressed were: natural resources, downtown, job opportunities, communications and infrastructure. The Selectmen are supportive of this effort and will work to implement the recommendations.
- The adoption of revised sewer and parking ordinances.
- The dedication of renovations completed to the Meeting House.
- Reaching agreement with EPA and the State of New Hampshire on receiving an extension of time to meet the Safe Drinking Water standards mandated. A Special Town Meeting was required in October to receive authorization from the Town to commit funds to the engineering necessary to design the system required to meet these standards. Authorization for funding the construction required will be presented at the 1994 Town Meeting.

REPORT OF THE SELECTMEN CONTINUED...

- Work has been ongoing in regards to our wastewater treatment program and designs to meet stricter discharge permits. System changes needed are scheduled to be completed by 1996.
- Establishment of a Wellhead Protection Plan to protect our wells from potential contamination sources.
- The issue of impact fees, their problems of implementation and their effect on growth resulted in working with the Planning Board to revise a more workable and favorable program.

Of major concern to the Selectmen is the lack of growth Jaffrey has received in its tax base in recent years, especially in the areas of industry and commerce. Lack of growth in these areas is resulting in less employment opportunities for our citizens and higher property taxes. The need for growth has been identified as a top priority and action in the form of an Economic Council is underway. The Town will be asked to support this council at Town Meeting and the focus of the 1994 administration will be to put in place a user friendly economic development program, encouraging expansion of our industrial and commercial base.

To the employees of the Town of Jaffrey, the Selectmen thank you for your efforts in helping make Jaffrey a safe and pleasant town in which to live. And a special thanks to Nelson Hartwell and Robert Gordon of the Jaffrey Water Department for finding us more water!

The Selectmen also wish to extend a sincere thank you to all the boards, committees, commissions, civic groups and volunteers who work so hard to serve the needs of Jaffrey. It is a pleasure and honor to be your Selectmen.

Respectfully submitted,

Peter B. Davis
Chairman
Board of Selectmen

REPORT OF THE TOWN MANAGER

My first impression of Jaffrey while doing research on the Town when this position was advertised, was that there was something quite special which existed here. The Town had the small town flavor which so many people in New Hampshire have come to cherish and which has brought so many people to the towns of New Hampshire to visit and /or live. Beyond the characteristic New Hampshire small town flavor, there was clearly an indication of concern for the future of the town, and a strong spirit of community involvement and volunteerism. Additionally, Jaffrey displayed to me a sense of progressiveness which I did not see in a lot of other towns in New Hampshire. All of this provided a great incentive for my family and me to decide to accept this position and the opportunity to move to and live in Jaffrey. At this point, I can say that it was one of the best decisions I have ever made.

My predecessor left behind a quality organization, with a superb group of town employees. In all departments of your town government you will find a high level of customer service, with knowledgeable employees ready to assist you with your questions and concerns. All town employees take great pride in their jobs and have high personal standards that provide them with their own motivation. As residents of Jaffrey, you can be assured that you are getting the most out of your tax dollars through efficient and industrious employees.

On the facilities side of the house, we have expanded our Capital Improvements Program. This Program outlines major items which are required to provide the quality services to the residents of Jaffrey. Items included in this Program are such things as vehicles, facilities, and major water and sewer projects. A Capital Improvements Program allows all town officials to see on paper what projects lie ahead of us and prioritize those projects based upon what the town can afford.

The budget which we have presented for 1994 is a lean one at best. Nearly all town departments will spend less in 1994 than in 1993. Some expenses have been incurred by the Town which we are obligated to pay, and in order to keep costs, and ultimately the tax rate under control, we have asked your town departments to cut back even below 1993 levels. We clearly recognize the economic situation which still persists and affects us all, both in our private lives and in running the business of town government.

On behalf of all town employees, I would like to extend our appreciation for the support and cooperation of all town residents during 1993. Without your support, we would not be able to provide the Town of Jaffrey with quality services.

Additionally, I would like to extend my thanks to the Selectmen, and especially all the town's employees, both volunteer and paid, for their hard work and cooperation. Your efforts make this a pleasant experience.

Respectfully submitted,

Jonathan B. Sistare
Town Manager

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Jaffrey
Jaffrey, New Hampshire

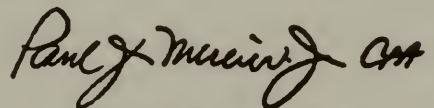

We have audited the accompanying general purpose financial statements of the Town of Jaffrey as of and for the year ended December 31, 1993, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Jaffrey as of December 31, 1993, and the results of its operations and cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Jaffrey. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Reporting Entity

The Town of Jaffrey, New Hampshire, is a municipal corporation governed by an elected 3-member Board of Selectmen. As required by generally accepted accounting principles, these financial statements present the Town of Jaffrey (primary government), and its component units. Component units are organizations for which the primary government is financially accountable or for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Based on the foregoing criteria, no other organizations are included in the Town's financial reporting entity.

B. Basis of Presentation - Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures/expenses, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

Governmental Fund Types

Governmental Funds are those through which most governmental functions of the Town are financed. The acquisition, use and balances of the Town's expendable financial resources, and the related liabilities (except those accounted for in proprietary funds) are accounted for through governmental funds. The following are the Town's Governmental Fund Types:

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. The following funds are included in this fund type:

Public Library
Conservation Commission

Police Grants
Sewer Department

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction, or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from Federal and State grants. The following funds are included in this fund type:

Humiston Field Project
Meeting House Project

Proprietary Fund Types

Proprietary Funds - These funds account for operations that are organized to be self-supporting through user charges. The fund included in this category is the Enterprise Fund.

Enterprise Funds - These funds are established to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent is that costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

Fiduciary Fund Types

Fiduciary Fund Types - These funds account for assets held by the Town as a trustee or agent for individuals, private organizations, and other units of governments.

The following funds are included in this fund type:

Nonexpendable Trust Funds

Town Trusts
Library Trusts

Expendable Trust Funds

Town Trusts
Capital Reserve
Library Trusts

Agency Fund

Developers' Performance Bond

Account Groups

Account groups are not "funds." They are concerned only with the measurement of financial position. They are not involved with measurement of results of operations. The Town uses the following account groups:

General Fixed Assets Account Group - General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

General Long-Term Debt Account Group - This account group is established to account for all long-term debt of the Town except that which is accounted for in the proprietary fund.

Total Columns (Memorandum Only) on Combined Statements

Amounts in the "Totals (Memorandum Only)" columns in the combined financial statement line items of the fund types and account groups are presented for analytical purposes only. The summation includes fund types and account groups that use different bases of accounting, includes interfund transactions that have not been eliminated and the caption "amounts to be provided", which is not an asset in the usual sense. Consequently, amounts shown in the "Totals (Memorandum Only)" columns are not comparable to a consolidation and do not represent the total resources available or total revenues and expenditures/expenses of the Town.

C. Measurement Focus/Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. All governmental funds and expendable trust funds are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financial sources) and decreases (i.e., expenditures and other financing uses) in net current assets. For Proprietary Fund Types, the measurement focus is on the determination of net income.

All Nonexpendable Trust Funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet.

The accounts of the Governmental, Expendable Trust, and Agency Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined, and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Application of the "susceptibility to accrual" criteria requires judgement, consideration of the materiality of the item in question, and due regard for the practicality of accrual, as well as consistency in application. Those revenues susceptible to accrual are taxes,

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

intergovernmental revenues, charges for services and interest revenue. Licenses and permits and most other local source revenues are not susceptible to accrual, because generally they are not measurable until received in cash. Expenditures are recorded when the related fund liability is incurred. Accumulated unpaid vacation and sick pay, and principal and interest on general long-term debt are recorded as fund liabilities when due. All Nonexpendable Trust and Proprietary Funds are accounted for using the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

D. Budgetary Accounting

General Budget Policies

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. At its annual meeting, the Town adopts a budget for the current year for the General and all Special Revenue Funds. Project-length financial plans are adopted for all Capital Project Funds. Except as reconciled below, budgets are adopted on a basis consistent with generally accepted accounting principles.

Management may transfer appropriations between operating categories as they deem necessary. All annual appropriations lapse at year-end unless encumbered. Expenditures may not legally exceed budgeted appropriations in total.

State statutes require balanced budgets, but provide for the use of beginning unreserved fund balance to achieve that end. In 1993, \$150,000 of the beginning General Fund fund balance was applied for this purpose.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31 and are carried forward to supplement appropriations of the subsequent year.

Reconciliation of Town Budget to GAAP Basis of Accounting

The Statements of Revenues, Expenditures, and Changes in Fund Balances - Budget and Actual (GAAP Basis) present comparisons of the legally adopted budget as adjusted to present the budget on the GAAP basis with actual data on a GAAP basis. Since accounting principles applied for purposes of developing data on a budgetary basis differ from those used to present financial statements in conformity with generally accepted accounting principles ("GAAP"), reconciliations of the excesses (deficiencies) of revenue and other sources of financial resources over (under)

E. Assets, Liabilities and Fund Equity

Cash and Investments

The Town Treasurer is required by State statute to have custody of all monies belonging to the Town and shall pay out the same only upon orders of the selectmen. The Town Treasurer shall deposit all such monies in solvent banks in the state or in participation units in the public deposit investment pool established pursuant to RSA 383:22. Funds may be deposited in banks outside the state if such banks pledge and deliver to the state treasurer as collateral security for such deposits in value at least equal to the amount of the deposit in each case.

Whenever the Town Treasurer has an excess of funds which are not immediately needed for the purpose of expenditure, State statutes require the Treasurer, with the approval of the selectmen, to invest the same in obligations of the United

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

States government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire or in certificates of deposits of banks incorporated under the laws of the State of New Hampshire or in national banks located within this state or the Commonwealth of Massachusetts. Any person who directly or indirectly receives any such funds or monies for deposit or for investment in securities of any kind shall, prior to acceptance of such funds, make available at the time of such deposit or investment an option to have such funds secured by collateral having a value at least equal to the amount of such funds. Such collateral shall be segregated for the exclusive benefit of the town. Only securities defined by the bank commissioner as provided by rules adopted pursuant to RSA 386:57 shall be eligible to be pledged as collateral.

For financial reporting purposes, cash and equivalents include amounts in demand deposits and money market funds, as well as certificates of deposit and short-term investments with original maturities of 90 days or less.

The Town is authorized by State statute to invest Trust Funds, except Capital Reserve Funds, in obligations of political subdivisions and stocks and bonds that are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept in a separate account and not intermingled with other funds. Capital Reserve Funds shall be invested only by deposit in some savings bank or in the savings department of a national bank or trust company, or in the share of a cooperative bank, building and loan association, or federal savings and loan association, in this state, or in bonds, notes or other obligations of the United States government, or in bonds or notes of this state, or in participation units in the public deposit investment pool established pursuant to RSA 383:22.

Investments are stated at cost or, in the case of donated investments, at the market value of the date of bequest or receipt.

Receivables

Revenues for the most part are recorded when received, except for the following items for which receivables have been recorded:

- a. Tax revenue is recorded when a warrant for collection is committed to the Tax Collector. However, management has recorded a reserve for uncollectible taxes which represents historical abatement costs on property tax warrants. This reserve is set at \$114,759.

The National Council on Governmental Accounting (NCGA), Interpretation 3, *Revenue Recognition - Property Taxes*, requires that if property taxes are not collected within 60 days after year end, the revenue is not considered an "available spendable resource" and should be deferred. An exception to the general "available 60 day" rule is allowed in unusual circumstances. The Town has concluded that the circumstances relating to the responsibility for, and payment of, the School Tax Assessment; along with the timing of the issuance of the tax warrant, which is late in the budget year, justifies a period

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

greater than 60 days. Since this practice of recording the property tax revenue when levied is widely recognized as being generally accepted as the prevalent practice in New Hampshire, the Town believes that such practice is a knowledgeable application of the NCGA Interpretation 3 exception, and therefore Level 4 GAAP compliance may be reached.

As prescribed by law, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum.

If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

- b. Interest on investments is recorded as revenue in the year earned.
- c. Certain grants received from other governments require that eligible expenditures be made in order to earn the grant. Revenue for these grants is recorded for the period in which eligible expenditures are made.
- d. Various service charges (ambulance, police, water, sewer) are recorded as revenue for the period when service was provided.

Interfund Receivables and Payables

During the course of normal operations, the Town has transactions between funds, including expenditures and transfers of resources to provide services. The accompanying governmental, proprietary, and fiduciary fund financial statements reflect such transactions as transfers. To the extent that certain transactions have not been paid or received as of December 31, balances of interfund amounts receivable or payable have been recorded.

Inventories

Inventory in the General and Special Revenue Funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

Deferred Revenue

The government reports deferred revenue on its combined balance sheet. Deferred revenue arises when a potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. Deferred revenue also arises when resources are received by the government before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the government has a legal claim to the resources, the liability for

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

deferred revenue is removed from the combined balance sheet and revenue is recognized.

Long-Term Liabilities

General Obligation Debt - General obligation bonds, notes, capital leases, and other forms of long-term debt supported by general revenues are obligations of the Town as a whole. Accordingly, such unmatured obligations of the Town are accounted for in the General Long-Term Debt Group of Accounts.

Compensated Absences - Employees may accumulate a limited amount of earned but unused vested benefits, which will be paid to employees upon separation from the Town's service. In Governmental Fund Types and Fiduciary Fund Types, the cost of vested benefits paid or expected to be liquidated with expendable available financial resources are reported as an expenditure and fund liability of the fund. Amounts of vested or accumulated leave benefits that are not expected to be liquidated with expendable available financial resources are reported in the general long-term debt account group. No expenditure is reported for these amounts. In accordance with the provisions of Statement of Financial Accounting Standards No. 43, *Accounting for Compensated Absences*, no liability is recorded for nonvesting accumulating rights to receive benefits.

Fund Equity

The portion of fund balance which has been legally segregated for a specific future use, or which indicates that a portion is not appropriable for expenditures, is shown as reserved. The following reserves were used by the Town during the year:

Reserved for Endowments - represents the principal balance of Nonexpendable Trust Funds which must be held for investment purposes only.

Reserved for Encumbrances - is used to account for open purchase orders, contracts and other commitments at year end for which goods and services have not been received.

Reserved for Special Purposes - is used to account for the unencumbered balance of restricted funds. These include grant revenues, the Town's Expendable Trust Funds, and the income portion of the Town's Nonexpendable Trust Funds.

NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

A. Deficit Fund Balances

Project Deficit

There is a deficit of \$600 in the Capital Projects (Humiston Field Project) Fund at December 31, 1993. This deficit will be funded by private donations in 1994.

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

There is also an unreserved fund deficit of \$40,692 in the Sewer Fund which will be eliminated by rate increases in future years.

B. Excess of Expenditures Over Appropriations

The following governmental funds had an excess of expenditures over appropriations for the year ended December 31, 1993:

General Fund		\$ 13,038
<u>Special Revenue Funds</u>		
Public Library	\$ 48,114	
Sewer Fund	<u>163,541</u>	
<u>Total Special Revenue Funds</u>		<u>211,655</u>
<u>Total</u>		<u>\$224,693</u>

Overexpenditures occurred primarily due to the receipt and expenditure of unanticipated funds and not budgeting fully for a fire truck in the General Fund.

Excess of Expenditures Over Appropriations and Application of the Municipal Budget Law (RSA Chapter 32)

The Town has adopted the provisions of the Municipal Budget Law, and cannot expend in excess of its total budgeted appropriations unless approval is secured from the State Department of Revenue Administration. During 1993, the Town exceeded its total budgeted appropriations by \$13,038 as disclosed on Exhibit C.

There is no evidence that approval from the Department of Revenue Administration was obtained.

NOTE 3 - ASSETS

A. Cash and Equivalents

At year end, the Town's cash deposits categorized according to risk assumed were as follows:

<i>Category 1</i>	Includes deposits that are insured (Federal Depository Insurance).
<i>Category 2</i>	Includes deposits that are uninsured, but are collateralized by securities held by the pledging financial institution, its trust department or agent in the Town's name.
<i>Category 3</i>	Includes deposits that are uninsured and uncollateralized.

B. Investments

Investments made by the Town are summarized below. The investments that are represented by specific identifiable investment securities are classified as to credit risk into three categories as follows:

Category 1 Includes investments that are insured or registered, for which the securities are held by the Town or its agent in the Town's name.

Category 2 Includes uninsured and unregistered investments, for which the securities are held by the Town, broker, counter party's trust department or agent in the Town's name.

Category 3 Includes uninsured and unregistered investments, for which the securities are held by the broker, counter party, counter party's trust department, or agent, but not in the Town's name.

The Library Trustees' investments are under the management of A. G. Edwards and the Town's Trustees of Trust Funds' investments are under the management of New London Trust, who are the Town's agents for these funds. These investments are designated as Category 3 because they are held by an agent of the bank but not in the Town's name.

<u>Total Investments</u>				<u>\$1,731,848</u>	<u>\$2,288,393</u>

C. Property Taxes

The property tax year is from April 1 to March 31 and all property taxes are assessed on the inventory taken in April of that year.

The Town subscribes to the semi-annual method of tax collection as provided for by RSA 76:15-a. Under this method, tax bills are sent on or around May 1 and

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

November 1 of each year, with interest accruing at a rate of 12% on bills outstanding for more than 30 days.

The May 1 billing is considered an estimate only and is one half of the previous year's tax billing. The remaining balance of taxes due is billed in the fall after the State Department of Revenue Administration has calculated and approved the Town's tax rate for the fiscal year.

In connection with the setting of the tax rate, the New Hampshire Department of Revenue Administration establishes and raises through taxation an amount for abatements and refunds of property taxes, known as overlay. This amount is reported as a reduction in tax revenue and is adjusted by management for any tax reserves at year end. The property taxes collected by the Town include taxes levied for the Jaffrey-Rindge Cooperative School District and Cheshire County, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

The tax rate for the year ended December 31, 1993, was as follows:

Municipal Portion	\$ 9.49
School Tax Assessment	19.51
County Tax Assessment	<u>2.54</u>
<u>Total</u>	<u>\$31.54</u>

As prescribed by law, within 18 months of the date assessed, the Tax Collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum. If property is not redeemed within the 2-year redemption period, the property is tax-deeded to the Town.

During the current fiscal year, the Tax Collector on March 31, placed a lien for all uncollected 1992 property taxes.

Taxes receivable at December 31, 1993, are as follows:

<u>Property Taxes</u>	
Levy of 1993	\$ 776,437
Levy of 1992	448
<u>Unredeemed Taxes (under tax lien)</u>

H. Risk Management

The Town is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets, errors or omissions, injuries to employees, or acts of God. During 1993, the Town was a member of the New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. and the compensation funds of the New Hampshire Workers' Compensation Fund. These entities are considered public entity risk pools, currently operating as a common risk management and insurance program for member towns and cities.

The New Hampshire Municipal Association Property-Liability Insurance Trust, Inc. is a Trust organized to provide certain property and liability insurance coverages to member towns, cities and other qualified political subdivisions of New Hampshire. As a member of the NHMA Property-Liability Insurance Trust, Inc., the Town shares in contributing to the cost of, and receiving benefits from, a self-insured pooled risk management program. The membership and coverage run from July 1st to July 1st. The program includes a Loss Fund from which is paid up to \$250,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000. For the year ended June 30, 1992, the program includes Loss Funds from which is paid up to \$200,000 for each and every covered property, crime and/or liability loss that exceeds \$1,000.

The Trust Agreement permits the Trust to make additional assessments to members should there be a deficiency in Trust assets to meet its liabilities. At this time, the Trust foresees no likelihood of an additional assessment in any of the past years.

Compensation Funds of New Hampshire Workers' Compensation Fund is a Trust organized to provide statutory workers' compensation coverage to member towns and cities (and other qualified political subdivisions) of New Hampshire. The trust agreement permits the Trust to make additional assessments to members should there

be a deficiency in Trust assets to meet its liabilities. At this time, the Trust foresees no likelihood of any additional assessments in any of the past years.

The Town continues to carry commercial insurance for all other risks of loss, including employee and public official fidelity bonds, health and accident insurance.

NOTE 4 - LIABILITIES

A. Intergovernmental Payable

Payables due other governments at December 31, 1993 include:

<u>General Fund</u>	
Balance of 1993-94 Assessment due to School District	\$1,844,781
<u>Trust Funds</u>	
School District Trust Funds held by Town Trustees of Trust Funds	<u>707,797</u>
<u>Total Intergovernmental Payable</u>	<u>\$2,552,578</u>

B. Defined Benefit Pension Plan

Plan Description and Provisions

Some employees participate in the State of New Hampshire Retirement System (the System), a multiple-employer cost-sharing public employee retirement system (PERS). The payroll for employees covered by the System for the year ended December 31, 1993, was \$382,949; the Town's total payroll was \$1,371,609.

All full-time employees are eligible to participate in the System. The System is divided into two employee groups; Group I - all employees except firefighters and police officers, and Group II - firefighters and police officers.

Group I Employees who retire at or after age 60 are entitled to retirement benefits equal to 1.667% of the average of their three highest-paid years of compensation, multiplied by their years of service. Earlier retirement allowances at reduced rates are available after age 45 with 10 years of service. Benefits fully vest upon reaching 20 years of service or attaining age 60.

Group II Employees are subject to the same age and vesting requirements as Group I employees. They are, however, entitled to retirement benefits equal to 2.5% of the average of their three highest-paid years of service, multiplied by their years of service, not to exceed 40.

The System also provides death and disability benefits, and cost-of-living increases have been periodically granted to retirees by the State Legislature.

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

Description of Funding Policy

The System is financed by contributions from both the employees and the Town. By State statute, Group I employees are required to contribute 5% of earnable compensation. Group II employees are required to contribute 9.3% of gross earnings. The Town must contribute the remaining amounts necessary to pay benefits when due. The contribution requirement for the year ended December 31, 1993, was as follows:

Town's Portion	\$13,267
Employees' Portion	<u>35,614</u>
<u>Total</u>	<u>\$48,881</u>

The amount shown as "pension benefit obligation" in the System's financial statements is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the System's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among PERS and employers. The System does not make separate measurements of assets and pension benefit obligations for individual employers. The pension benefit obligation at June 30, 1992, for the System as a whole, determined through an actuarial valuation performed as of June 30, 1991, was \$1,600,517,569. The System's net assets available for benefits on that date (valued at market) were \$1,654,059,701. The System holds none of the Town's securities.

Trend Information

Historical trend information showing the System's progress in accumulating sufficient assets to pay benefits when due is available for only six years and is presented in the System's December 31, 1992, annual financial report (the latest year available).

Deferred Compensation Plan - The Town offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all employees, permits the employees to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency.

The plan is administered by an independent company, and the Town remits all compensation deferred to this administrator for investment as requested by the participant employees. All compensation deferred and funded under the plan, all investments purchased and all income attributable thereto are solely the property and rights of the Town (until paid or made available to the employee or other beneficiary), subject only to the claims of the Town's general creditors.

TOWN OF JAFFREY, NEW HAMPSHIRE

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 1993

Participants' rights under the plan are equal to those of general creditors of the Town in an amount equal to the fair market value of the deferred account for each participant.

It is the opinion of Management that the Town has no liability for losses under the plan but does have the duty of due care that would be required of an ordinary prudent investor. The Town believes that it is unlikely that it will use the assets to satisfy the claims of general creditors in the future.

C. Construction and Other Significant Commitments

NOTE 7 - SUMMARY DISCLOSURE OF SIGNIFICANT CONTINGENCIES

A. Litigation

There are various claims and suits pending against the Town which arise in the normal course of the Town's activities. In the opinion of management, the ultimate disposition of these various claims and suits will not have a material effect on the financial position of the Town.

B. Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the Federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount of expenditures which may be disallowed by the grantor cannot be determined at this time although the Town expects such amounts, if any, to be immaterial.

REPORT OF THE JAFFREY PUBLIC LIBRARY

On March 3, 1993, the Friends of the Library dedicated the Betty Badertscher Children's Computer Center to the library. The dedication was attended by her family and friends. The center has proved so popular that children must sign up in advance to use it. There are now eleven educational programs available for the children. There is also a computer in the adult department for public use.

During the year the Library received a gift of \$2,000.00 from the estate of Mary Hill. Since there were no requirements set forth for the use of the money, the Library Director, Cynthia Hamilton, will put it toward bar code identification, the next step in automating the card catalog. A check for \$100.00 was received from the Peterborough Planning Board in memory of Joseph Crocker. The money was used toward the purchase of Leonard Bernstein videos. At the Director's request, the Trustees voted in the affirmative to use \$1,044.00 from the Blaine Account for the purchase of a set of 1994 Encyclopedia Americana.

This year's Book Fair, sponsored by the Friends and under the leadership of Margaret Bean, was held at the Civic Center. This successful fund raiser produced over \$1,300.00. During the year, the Friends paid for the retrofitting of the exit signs, ordered new book bags and sponsored two programs from the New Hampshire Council of Humanities. The programs were well attended and lively discussions followed.

Betty Jean Steinhouser, a one woman show, entitled "An Evening with Willa Cather" returned by popular demand again this year and performed to a well received crowd at the Meetinghouse. This year's program was sponsored by the Friends of Recreation, Village Improvement Society and the Civic Center.

A survival trip through Mexico, Central and South America was this year's theme for the summer reading program. At the party John Stone, dressed in Mexican attire, taught the children the Mexican Hat Dance. Fun was had by all as arms and legs were going in all directions. One hundred fourteen children completed the seven week program and were presented with certificates by Trustee Chairman, Betty Shea. Mothers helped serve refreshments donated by the Friends.

This summer Kathy Berkley, Marilyn Simons, Jennifer Sawyer and Betsy O'Neill wrote, produced and directed puppet shows for children ages three to nine. "Quetzalcoat1" was a shadow play and the "Case of the Suspect Spider", a volatile puppet show, was enjoyed by all. Many children attended puppet workshops; story time; story swaps; magic workshops; story teller, Kathy Miller; and the every popular "Little Red Wagon." Attendance was high in all the above programs.

The Legislative Breakfast held at the State Library during National Library Week was attended by our legislators, Joseph Manning and Charles Royce.

Cynthia Hamilton and Kathy Berkley attended the New England Library Association Fall Conference in Burlington, Vermont in September. The theme was Multi-Cultural Diversity. Cynthia won 50 books at a vendor's table. They will be added to the collection.

Marge Zerbel, a delightful staff member, retired in December and a replacement will be sought.

The Trustees and staff attended local, regional and state meetings. The staff also took computer courses.

We, the Trustees, are most grateful of our superb library staff, the devoted friends, donors, volunteers and all patrons for their continued support and complete understanding in all endeavors of the Library.

Respectfully submitted,

Jaffrey Public Library Trustees:

Elizabeth B. Shea, Chairman
Lyn Lambert, Secretary
John J. Stone, Treasurer

REPORT OF THE CHIEF OF POLICE

It is with great pride that I present this, my second annual report, to the citizens of our community.

In our system of government, crime is defined as a particular set of circumstances perceived to be unacceptable to the majority of citizens. Crime affects our entire community directly through economic costs and indirectly through a threat to our public safety. We have worked very hard collectively as a community to successfully suppress crime locally. I wish to thank the citizens of Jaffrey for their insight, assistance and compliance during 1993. Without that ever-present support, the quality of life that makes Jaffrey so special could have been greatly jeopardized.

While our overall criminal statistical data is fairly consistent with that of 1992, our total calls for service were up over 25%. A call for service is created when an officer responds to a request to physically go and perform a service. Phone calls, non arrest traffic stops, foot patrols, or walk in traffic at Police headquarters are not considered calls for service.

I feel the 25% increase in calls for service is consistent with the police department's commitment to service style community policing. In short, we are addressing social concerns before they turn into long term expensive problems.

During 1993, the Jaffrey Police wrote and published its first totally inclusive police manual, assisted in organizing several neighborhood watch programs, became involved in several civic projects, offered safety seminars, provided the DARE program, and acquired several thousand dollars worth of items and services as a result of government surplus programs and public grants. We are very proud of the fact that all of these services were accomplished without additional cost to you, the taxpayer.

In conclusion, I wish to express the sincere gratitude of the entire police department for your patience and courtesy during the downtown reconstruction project of these last two years.

REPORT OF THE ANIMAL CONTROL OFFICER

As predicted last year, the Mid-Atlantic strain of rabies virus which is carried by raccoons has migrated into Jaffrey. There were 5 confirmed cases of rabies. In addition, there were 5 wild animal cases which were not tested because there was no human or domestic animal exposure but were probably rabid.

Please stay away from wild animals especially if it appears to be confused or friendly. All mammals can get rabies. A raccoon that has porcupine quills in it or that smells like a skunk may be rabid as they usually stay away from these animals. Do not try and stop your dog if it is engaged with a wild animal, call the police. Keep all pets under your control. If your pet is allowed to run free it may have contact with a rabid animal and bring the rabies virus back to you and your family. Starting in 1993 cats are required by law to have a rabies vaccination too. The rabies problem is a Public Health threat to people as well as a threat to animals. Pet owners can help reduce this threat by managing their pets healthcare properly, by observing leash laws and by reporting animal complaints to the animal control officer.

Please license your dogs during April of 1994 and remember to keep your animals' rabies vaccine updated.

REPORT OF THE PUBLIC WORKS DEPARTMENT

Overall, the Public Works Department had a very productive year. During the first three months of 1993, Highway Department personnel were primarily involved with ice and snow treatment/removal operations associated with the thirteen winter storms that hit the New England area. Throughout the Summer and Fall, Highway Department personnel were involved with their normal summer road maintenance activities and with the replacement of a bridge on Proctor Road. They also assisted the Water Department with two major water projects. Other Public Works road projects included the reclamation/paving of Nutting Road, Bryant Road, Meeting House Road, Meeting House Hill Road, Maple Avenue, Goodnow Street and portions of Old Fitzwilliam Road, and the chip sealing of Thorndike Pond Road.

Besides the above mentioned water projects, Water Department personnel were involved with annual Spring and Fall hydrant flushing operations, handled over 200 service calls, and turned on/shut off 183 water services. They also assisted the Route 202 Upgrade Project contractor with water problems associated with the project, and worked directly with the Town's engineering consulting firm to develop a plan of action to meet compliance requirements of the Safe Drinking Water Act.

Activities at the Transfer Station/Recycling Center were geared toward improving the physical characteristics of the facility so as to provide better service to Jaffrey's citizens. The parking area in front of the building was paved, as was the access road, in order to eliminate problems during snow and heavy rain periods, and a concrete pad/ramp was constructed between the demolition containers to provide better customer access.

In the Sewer Department, there were major changes made in the Industrial Pretreatment Program, which resulted in a new Sewer Use Ordinance being adopted and new Industrial Discharge Permits being issued to the Significant Industrial Users. Sewer Department personnel also assisted the Town's Engineering consultant firm in developing a Wastewater Alternatives Report, which provides options for advanced treatment to meet proposed new limits for discharges from the Town's Wastewater Treatment Facility. Also in 1993, design work for upgrade of the Cross Street Pump Station and Jaffrey Center Pump Station was completed and construction work on the Cross Street Pump Station was initiated.

Cemeteries/Parks and Commons personnel were busy with maintenance of all of the Town owned cemeteries, parks and commons areas. They also assisted with seven burials and thirteen cremations, and provided support to other Town agencies for special events and Town Meetings.

Public Works Department capitol equipment purchases for 1993 included a 1-ton pick-up and 6-wheel dump truck for the Highway Department and a chipper for use by both the Highway Department and the Recycling Center.

Floyd N. Roberts

REPORT OF THE RECREATION DEPARTMENT

During 1993, the recreational and leisure services provided to the Town continued to run smoothly. The Recreation Dept. operated the new facilities at Humiston Field with favorable attitudes from users and residents. Our goals to provide quality programming and services to the community, organizations, and residents, within its resources and flat budget, were successful, as shown by the increasing attendance and demands for services.

We are proud of the major programming and facility improvement accomplishments noted below.

1. The successful operation of the new concession stand and support facilities at Humiston Field, for several of the community sports programs and special events.
2. The Recreation Dept. provided administrative and organizational support to several youth sports organizations and other community recreation groups, accumulating in 1993, some 1371 service-hours (equivalent to 171 days). This represents 26.1% of the recreation staff's time spent supporting organizations and agencies.
3. The Jaffrey Friends of Recreation donated about \$4000 worth of program sponsorships and equipment purchases, while conducting their own activities (rollerskating) and supporting other agencies, in the amount of about \$2000.
4. To celebrate Earth Day, the Recreation Dept. planted new trees at Humiston Field and rose the "Our Earth" flag at the Town Common.
5. The Bandstand Summer Concert Series, supported by CFX Bank, attracted over 600 visitors and residents at each concert. The Annual John Morgan 5-Mile Classic Road Race and Fun Run were successful again this summer with 125 participants. This past fall, the Shaw Brothers Concert co-sponsored with the Monadnock State Park and F.O.R. added a charming Fall event to the Jaffrey area.
6. Jaffrey's year-round holiday activities were once again, extremely well attended and ran smoothly. Hats off to the Yuletide Decorations Committee for the new lights and decorations for the Downtown areas. The first annual Family Winter Carnival at the Jaffrey Skating Rink was a tremendous success with 150 in attendance!

THANKS...The Recreation Dept. & Committee wish to recognize all of the community organizations, merchants, industries, and businesses for their continued, unselfish support of recreation activities; all of whom residents should be proud of. We also salute the literally hundreds of volunteers gave a most precious gift to our community and its people - TIME! We are inspired by your dedication and sense of caring for the community.

Please make a difference in someone's life or in the community. Take time to volunteer to help your neighbor by being involved in leisure activities and recreational facility improvements in your community! Nothing feels better than the satisfaction one receives from people helping people. Take time to care about the natural resources right outside our door... lakes, mountains, parks, trails and open spaces. Please support us, with our efforts to provide quality recreation activities and services in the Town of Jaffrey.

Below is a summary of the 1993 program offerings giving participation figures and comparative percentages with 1992. We continue to seek your constant input and suggestions, as well as volunteer assistance so we may develop and execute a well-rounded slate of programs.

REPORT OF THE OVERSEER OF PUBLIC WELFARE

The past year, 1993, saw little change in the demand for Public Assistance. Even though the economy seems to have stabilized and in some cases made an upward turn, the effects have not reached all parts of the labor market. Housing costs continue to account for the largest portion of assistance requests (75%) followed by Utilities (15%), Groceries (7%), Medication (2%) and Miscellaneous (1%).

The Town continues to rely on several Trust Funds for a substantial portion of funding (51%) for General Assistance. The balance (49%) is made up with funds from the General Fund Account. This fortunate circumstance will not be carried forward into the new year. Low interest rates will reduce the amount of money returned on investments from the Trust Funds.

The holiday season brings out the best in all of us and this good will translates into many donations for the less fortunate. I'm continually amazed at the depth and quality of the generosity of the people in our community. Thank you's are extended to DD Bean & Sons, Teleflex, the Lions Club, VFW and to those individuals who made anonymous donations. Special thanks go to the Jaffrey Police Association for their Thanksgiving and Christmas Food Basket Programs. I also would like to recognize the on-going support and financial help from the congregation of The First Church in Jaffrey. Your contributions help many who struggle to keep themselves and families warm and fed.

REPORT OF THE FIRE DEPARTMENT

In 1993 the Jaffrey Fire Department responded to 130 emergency calls, these calls varied from false alarms to auto accidents to structure fires.

Last year we reported that we were short of Firefighters. Due to Fire Department recruiting, we have been able to improve on our shortage of Firefighters. However, we are still facing a shortage of Firefighters and are still recruiting.

Over the past year, we appointed 7 new Firefighters. They have completed 120 hours of training to become certified Firefighters. (It cost approximately \$1,500 to equip and train each new Firefighter.) This brings our strength to 27 Firefighters, 24 of which are certified. Six of our Firefighters are Emergency Medical Technicians and serve with the Jaffrey V.F.W. Ambulance.

We have installed 2 more Dry Hydrants in areas where we felt that the fire load was high and water supply low. One at Pierce's pond on Dublin Road, the other at Pierce Crossing. The D.P.W. helped us with both installations. The Monadnock Bible Conference has installed a dry hydrant at the pond on their property, at their expense. This will be a big help in that area.

In November of 1993 we took delivery of Jaffrey's new Fire Pumper (Freightliner/KME). It carries 1,000 gallons of water, 1300 feet of 4 inch hose, 800 feet of 2 inch hose, and 500 feet of 2-1/2 inch hose. It is equipped with a 1250 gpm pump, a 5KW generator and it has a 5 firefighter cab. This new Fire Pumper will improve the capabilities of the Jaffrey Fire Department and serve the Town of Jaffrey for many years. The cost of this new Pumper was \$153,800.00 (approved at the 1992 Town Meeting).

In 1994, we will have to replace the bottom panels on 4 apparatus bay doors. This will cost approximately \$1,000.00.

We are currently experiencing a shortage of approved self-contained breathing apparatus. These units cost approximately \$1,800.00 per unit. We will be addressing the shortage in 1994.

There are many other Firefighting and Rescue tools that we hope to purchase in 1994. These tools, along with a good training program will help the Jaffrey Fire Department serve the Town of Jaffrey even better in years to come.

John A. White,

**REPORT OF THE
JAFFREY VFW MEMORIAL AMBULANCE SERVICE, INC.**

The following report was submitted by the Jaffrey VFW Memorial Ambulance Service, Inc. so that the Taxpayers of the Town of Jaffrey can appreciate the savings in our Town Budget, from the donations received to operate ambulance service, and the volunteered hours by our Emergency Medical Technicians. (Note: the EMT's affiliated with the Jaffrey VFW Memorial Ambulance Service, Inc. do not receive any compensation for their time. The \$6.50/hour compensation is based on the average volunteer firefighter's pay in order to assess the total savings incurred by this service.)

REPORT OF THE PLANNING BOARD

Planning Board activities for 1993 included the following:

- 4 site plan reviews; all approved
- 6 subdivision proposals; 4 technical subdivisions, 1 minor subdivision, and 1 cluster subdivision
- 3 preliminary conceptual consultations
- 1 design review application

During the year the Planning Board continued work on its many non review functions including the following:

- 2 earth excavation applications
- Amendments to the Subdivision Regulations
- Amendments to the Wetlands Conservation District Ordinance
- Amendments to the Earth Excavation Regulations
- Adoption of Floodplain Development Ordinance

In 1994 the Planning Board intends to continue to direct attention to the following matters:

- Continue to recommend mapping options mainly in connection with a composite map,
- Update the Master Plan where appropriate and develop a special section for the downtown,
- Continue to develop procedures to integrate the Master Plan in the application and review process.

Mrs. Jody Hartwell is the new Planning Board Secretary. She brings to her new position 3 years of experience as Administrative Secretary for the Jaffrey Department of Public Works.

Respectfully submitted,

Christopher V. Bean
Chairman

REPORT OF THE BOARD OF ADJUSTMENT

Requests for Variances and/or Special Exceptions as provided by the terms of the Town of Jaffrey Land Use Plan are normally scheduled for Public Hearings on the first Tuesday of each month. Date, time and location of each Public Hearing is contained in the Notice of Public Hearing which is posted in two locations as well as being mailed to each abutter and applicant. Applicants appear at the Public Hearing and state their case after which time the board conducts a Site Review, followed by the decision of the board.

In 1993 the Jaffrey Board of Adjustment received seven applications for variances from the Land Use Plan. This figure is down two applications from the previous year and continues the downward trend in the number of applicants each year.

Of the seven applications received, the Board acted on four cases. One application was withdrawn and a second application was denied as the applicant failed to show. The Board granted three of the applications heard, and denied one.

Applications acted upon fell into the following categories:

Internally Lit Signs: 2
Setback/Lot Size: 2

As always, the Jaffrey Board of Adjustment invites and encourages interested parties to attend our Public Hearings. In some cases the applicants request affects more than just the abutters and may affect the entire district or the town. Input from all parties is encouraged and appreciated.

Respectfully submitted,

Christopher A. Struthers
Chairman

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission is an all volunteer advisory board concerned with the quality of air, water and land in Jaffrey. We are celebrating our 21st year as a commission, having been established in March of 1972.

The commissions work, as in the past, involved observing, evaluating and making recommendations to the State Wetlands Board concerning Dredge and Fill applications.

The Conservation Commission became managers of town owned lands that were formally designated Town Forest at this year's Town Meeting. Also approved was an article that will direct any proceeds from timber cuts on the town forests to the Conservation Fund.

A comprehensive management plan, with the assistance of state officials, was completed for the largest of the parcels. The plan will take into consideration wildlife, aesthetic, water and timber cut concerns.

During the year, members attended various regional meetings including those of the NH Association of Conservation Commissions, Monadnock Region Conservation Commission Meeting, Cheshire County Conservation District Annual Meeting, Forest Steward Lecture Series, and Contoocook River Conference, an information session held by high schools in the region.

In the future we hope to proceed with a prime wetlands study with the help of the Environmental Network, a group associated with UNH.

We have been in contact with the J-R Middle and High Schools in an effort to incorporate outdoor education experiences on the Childrens Woods property.

The refusal of the Shattuck Inn Golf Course to test water for herbicide residue continues to be of concern as does the amount of illegal dumping that occurs around town.

Respectfully,

Bill Elliott
Chairman

CONTOOCCOOK RIVERS ADVISORY COMMITTEE

In 1991, the Rivers Management and Protection Act was passed by our State legislature. This law established a two-tier approach with 1) the State deciding which rivers to protect and how to manage the instream use of the rivers and 2) the local towns deciding how to manage and protect the shorelines and adjacent lands. The Contoocook and North Branch Rivers were chosen for protection.

A local advisory committee has been set up with representatives nominated by the Selectmen and city council members of each of the 13 communities bordering the river. Your Town's representatives are:

Robert M. Austin	phone:	1-603-532-6665
Bill Elliott	phone:	1-603-532-6141

If you own property along these rivers or like to use these rivers, we would like to know your opinion, positive or negative, about the present and future use of the river and abutting land. Please let us hear your concerns.

REPORT OF THE HISTORIC DISTRICT COMMISSION

In 1993 the Jaffrey Historic District Commission held nine regular meetings. Three applications were received and all were approved. Application fees totaling \$15.00 were turned over to the town leaving a net expenditure of \$35.00 against the Commission's \$50.00 annual town appropriation.

The following officers were elected for 1993: Robert Stephenson, Chairman; Margaret Johnson, Vice Chairman; and Catherine Seiberling, Secretary. Members include Christopher Bean (Planning Board representative), George Cox (Alternate), Jeanne LaBrie (Selectmen's representative), Owen Houghton and Sally Roberts. Two alternate seats are currently vacant.

With little question the most positive and memorable event of the year was the long awaited rededication and reopening of the Meetinghouse, the culmination of more than two years of work on the part of many individuals, contractors, consultants, craftspeople and organizations. Over \$150,000 was raised for this effort from public, private and institutional sources. The gala two-day celebration over the 3rd and 4th of July was attended by large numbers. The Commission was pleased to have been involved in this project from the start and gratified to witness the high regard that the people of Jaffrey have for their most precious historical resource.

A major issue that faced the District during the past year involved streetlighting. Because of concerns raised particularly within the District but also throughout the town, the Commission brought interested citizens, Town officials and Public Service representatives together to discuss the plan that called for replacement or removal of streetlights and which had already been largely implemented. The Commission polled all residents of the District and reported the results to the Selectmen along with its recommendations. Happily, these were generally accepted and the original incandescent lights were returned, much to the benefit of the District's character.

The Commission worked with the Department of Public Works to insure that disruptions from the reconstruction of Bryant and Meetinghouse Roads and Maple Avenue were kept to a minimum and that the character of the District wasn't adversely affected. The Commission also worked closely with the Department in the regrading around the Meetinghouse including the construction and placement of the handicap accessible Tower entryway and the reconfiguring of the parking lot. Although the Commission again supported the reconstruction of the badly deteriorated Main Street sidewalk between Bryant and Thorndike Pond Roads, the project was removed from the budget. Its inclusion in the 1994 budget has been recommended.

The Commission continued its close and cooperative association with the Village Improvement Society through several on-going beautification and village maintenance projects. During the year Commission members were active in the New Hampshire Association of Historic District Commissions, Inherit New Hampshire and the Jaffrey Historical Society. The Commission supported the current efforts to restore the Cutler Memorial Building through a donation from the Historic District Trust and through participation in the Restoration Committee. Owen Houghton serves as the Commission's representative to the "Jaffrey 2000" effort, while George Cox fulfills the same role as a member of the Selectmen's Meetinghouse Committee.

Completion work on the publication "Jaffrey Then and Now: Changes in Community Character" will continue in 1994 with funding provided by the Commission's fifth Certified Local Government grant from the National Park Service through the New Hampshire Division of Historical Resources.

All residents are reminded that the Commission's regular monthly meeting is the first Thursday of each month at 7:30 PM in the Jaffrey Town Office building. Questions about the Jaffrey Historic District Commission and its procedures may be directed to--and application forms obtained from--the Chairman or the Secretary.

Respectfully submitted,

Catherine L. Seiberling, Secretary

**REPORT OF THE
JAFFREY CENTER MEETING HOUSE COMMITTEE**

During the 1993 season the following activities were held in the Meeting House:

The Monadnock Music held 7 concerts. Two were free admission concerts and 5 were paid concerts.

The Amos Fortune Forum held 7 meetings. These were free admission.

The First Church in Jaffrey held their Annual Church Fair and used the Meeting House for 3 days.

In addition to these regularly scheduled events the following used the Meeting House: Andy's Summer Playhouse, the Village Improvement Society gave a benefit with John Jay offering a travelogue "Head for the Hills." The Jaffrey Public Library, the Civic Center and the Village Improvement Society hosted a one woman show "Willa Cather." The New Hampshire Extension Service held a meeting with over 100 in attendance. The National Trust for Historic Preservation held a regional meeting with delegates from Washington and New England. A wedding ceremony brought the season to a fitting close.

The usual fee charged for the use of the Meeting House is: \$200 for paid performances or when the public is not invited and \$75 for all other uses. Total fees collected for 1993 were \$2450.

The costs for operating the Meeting House are borne by the Town - such as: water, electricity, upkeep and maintenance. Several times during the year, volunteers offer their services. This past year the interior was completely cleaned, including the dressing rooms, bathroom, stage, meeting hall, benches, balcony, windows and the three floors of the belfry which had the dirt of the centuries covering the floors plus debris left over from the recent restoration plus debris accumulated from previous work. Additionally, landscaping and bulb plantings are performed annually. Also, the Village Improvement Society regularly aids in the upkeep and maintenance of the building. The following is a breakdown of expenditures made in 1993:

Gold leafing the weathervane	\$600.00
Outside lamp/repair of fixtures	151.00
Book of Records/Donations	100.00
Book of Records/Binding	50.00
Standing Glass Case	430.00
Architectural Drawings	502.45
Grading and seeding new lawn	1636.47
Restoration celebration	260.48
Entranceway Iron Railing	385.00
Clock Motor Replacement	378.40
Landscaping parking lot	320.43
Miscellaneous	32.31
Total	\$4846.54

The Village Improvement Society has earmarked approximately \$4,000 to have an historically correct handrail installed around the balcony. In accordance with federal safety codes. This work will be done in the Spring of 1994.

The restoration of the Meeting House was begun in April 1990 and shortly thereafter Conor Power of Structural Technology, Inc. was selected to submit a complete report on the condition of the building. In December of 1990, the final report was submitted. Based on this the Town closed the building to the public for safety reasons. The Spring of 1991 Phase I was begun, this was to allow the use of the building by shoring up the floor and foundation so the building could be used for the Summer season. The steeple was removed and placed on the Common. The Spring of 1992 Phase II was begun, which included removing the floor and foundations and replacing all supporting columns, joists and flooring. The steeple was removed from the site and completely restored. The restoration was completed and the steeple replaced just in time for a Restoration Program which was held July 3-4, 1993. The Committee that was instrumental in raising private money for the restoration were also the prime movers in organizing and volunteering for the various functions.

The total project cost was \$155,585. The amount of \$89,094 was raised publicly and the balance of \$66,491 was raised privately.

Current and future projects necessary to maintain the Meeting House:

- Bulkhead replacement
- Roof reshingling
- Exterior painting
- Interior painting and decorating
- Parking lot improvement
- Roof repair under bell

**REPORT OF THE
MONADNOCK ADVISORY COMMISSION
TO THE TOWNS OF:
JAFFREY, DUBLIN, MARLBOROUGH
TROY, AND FITZWILLIAM**

The Monadnock Advisory Commission is charged by the State Statute to advise the State of New Hampshire on management of their land and leased lands of the Society for the Protection of New Hampshire Forests and the Town of Jaffrey. The lands are located on Mt. Monadnock, Gap Mountain, and Little Monadnock Mountain.

During 1993 the Commission held regular public meetings. The State Division of Parks and Recreation, with advice from the Advisory Commission, implemented one of the recommendations of the 1992 Management Plan. This was to provide off-highway parking and staff at the Old Toll Road hiking area in Jaffrey.

The Dublin Selectmen asked that a parking problem at the Dublin Trail (Farmer's) be resolved. The solution was to post No Parking on one side of the road, and to work with the New England Forestry Foundation for a small off-road parking area across from the trailhead.

The public is encouraged to contact their Commission members with suggestions and comments.

Members of the Monadnock Advisory Commission are:

Jaffrey:	H. Charles Royce, Peter B. Davis
Dublin:	Betsey Harris, Bruce McClellan
Marlboro:	James Everard, Ernie Linders
Troy:	David Adams, Ira Gavrin
Fitzwilliam:	Daniel J. Leary, Thomas F. Parker

Respectfully submitted,

H. Charles Royce
Chairman
